The authors and the journal apologize for an error in the above paper which appeared in **157** (1) (109–112). In this paper on page 110, the hydrocortisone doses given in Fig. 1A were incorrect. The correct hydrocortisone doses were 0.5 (08–12 h), 0.2 (12–20 h), 0.05 (20–02 h) and 1.0 mg/m² body surface area/hour (02–08 h).
