REVIEW

R33–R44 MANAGEMENT OF ENDOCRINE DISEASE: Novel anabolic treatments for osteoporosis

Ernesto Canalis

CLINICAL STUDIES

137–144 Association between monosodium T5DM mutations and congenital hypothyroidism: a statistical approach

Motomi Hidaka, Shizuka Nakajima, Yoko Tanaka, Hiroshi Adachi, Ryo Murayama, Tatsuki Aoki, Kenji Sakai, Takeshi Ishikawa and Toshio Saito

147–154 Decreas, a growth hormone-regulated protein in humans

Noriyuki Ishii, Chien-Dong Mark Picirilli, Kei F. Ye and Vitali Ananiev

155–163 Genetic influence on the associations between IGF-I and glucose metabolism in a cohort of elderly twins

Rikke Beck Jensen, Ajay Thankamony, Klaus Holst, Joseph AMJL Janssen, Anders Juul, David Dunger, Pernille Poulsen and Thomas Scheike

165–173 Changes in regional body fat, lean body mass and body shape in trans persons using cross-sex hormonal therapy: results from a multicenter prospective study

175–182 The spectrum, incidence, kinetics and management of endocrinopathies with immune checkpoint inhibitors for metastatic melanoma

Emma S Scott, Georgina V Long, Alexander Guminski, Roderick J Clifton-Bligh, Alexander MM Menzies and Venessa H T'ang

183–190 ERCC1 as predictive biomarker to platinum-based chemotherapy in adrenocortical carcinomas

Valeria Laufs, Barbara Altieri, Silviu Sbiera, Stefan Kircher, Sonja Steinhauer, Felix Beuschlein, Marcus Quinkler, Holger S Willenberg, Andreas Rosenwald, Martin Fassnacht and Cristina L Ronchi

LETTER TO THE EDITOR

L1 Diabetes insipidus is an unfavorable prognostic factor for response to glucocorticoids in patients with autoimmune hypophysitis

Sabrina Chiloiro and Laura De Marinis

CASE REPORT

K1–K9 Next-generation panel sequencing identifies NF1 germline mutations in three patients with pheochromocytoma but no clinical diagnosis of neurofibromatosis type 1

Laura Gieldon, Jimmy Rusdian Masjkur, Susan Richter, Roland Déjardin, Norma Leclercq, Gérard Font, Claude Loyset, Fabrice Acree, Karin Haidels, Andreas Thim, Andreas Jüppner, Alexander Mayer, Göran Olofsson, Anna Schekk, Alexander Richter and Wolfram Greil

K11–K19 Familial multinodular goiter and Sertoli-Leydig cell tumors associated with a large intragenic in-frame DICER1 deletion

Laura Gieldon, Alex Katz, Jimmy Rusdian Masjkur, Heidi Jakobsen, Rebeca Guarracini, Luisa Orlich, Eugenio Bertucci and William D'Amours

European Journal of Endocrinology (www.eje-online.org; ISSN 0804-4643 (print), ISSN 1479-683X (online)) is published monthly by Bioscientifica Ltd, Euro House, 28 Apex Court, Woodlands, Bradley Stoke, Bristol BS32 4JT, UK. (Email: eje@bioscientifica.com) (Registered in England no. 3195519)

Frequency
European Journal of Endocrinology is published monthly online and in print. There are two volumes per year and six issues from a volume.

Abstracting and indexing
Indexed/abstracted in: Chemical Abstracts, Current Content/Life Sciences, EMBASE/Excerpta Medica, Index Medicus/MEDLINE, Science Citation Index, Pascal/IST/CNRS, Science Citation Index Expanded, Scopus, SIC Salud

Editorial address and submissions
The journal accepts online submissions only. Guidelines for this can be found via www.eje-online.org. Editorial correspondence should be addressed to Professor J A Romijn, Editor-in-Chief, European Journal of Endocrinology, Email: eje@bioscientifica.com. Papers that exceed a certain length will be liable for page charges; details are given in the instructions to authors which appear online.

Business address
Business matters, other than subscriptions and requests for back issues, should be addressed to Bioscientifica Ltd at the address above.

Advertisements
Advertising enquiries should be sent to advertising@endocrinology.org. Copy is required 6 weeks before publication date. Rates are available online.

Subscription rates 2018

INSTITUTIONS
$3336/£1748/€2526 (print and online)
$2588/£1394/€2045 (online only)
plus VAT where applicable

CORPORATE
$3206/£1686/€2322 (print and online)
$3355/£1813/€2659 (online only)
plus VAT where applicable

All orders, accompanied by payment, should be sent direct to their agent for distribution, European Journal of Endocrinology, Turpin Distribution, Pegasus Drive, Stratton Business Park, Biggleswade SG18 8TQ, UK (Tel: +44 01767 604951; Fax: +44(0)1767 601640; Email: bioscientifica@turpin-distribution.com)

Claims and communication
All communications or claims regarding issues lost or damaged in transit should be addressed to the distributor (see above for address). No claims can be entertained if they are later than 3 months after the date of despatch.

Disclaimer
The papers contained in each issue of the journal have been prepared and written by named authors. Accordingly, neither the European Society of Endocrinology, Bioscientifica Ltd nor their officers, employees or agents are responsible for the accuracy or otherwise of any papers and shall have no liability for any claims, damages or losses however arising from the contents of any papers or any use to which they may be put by any person.
